

Dear SAR Friends and Family,

We don't want to keep you hanging any longer.

The last few weeks have sent our dinner committee on a spin, as we watched, waited, forecasted and deliberated about the upcoming SAR Dinner.

We are eager to come together to celebrate our community and our WONDERful honorees and their contributions. But the time must be right and we are not quite there yet!

For the safety and comfort of our community, SAR's 53rd Anniversary Dinner will be rescheduled for Wednesday evening, March 23, 2022.

- **Where will the Dinner be held?** Same place! We are thrilled to welcome our guests to the **Nickelodeon Universe at the American Dream Mall.**
- **Will my Dinner reservation transfer?** Yes! Those who have already donated to our campaign and/or are RSVP'd to attend, your ticket-to-ride will automatically transfer to the new Dinner date. Thank you for your generous support!
- **Can I change my reservation?** Of course! We will check in with you closer to the event date to see if your availability or comfort to attend has changed. Look out for a communication after the school's February break.

- **What's new?** Our rescheduled Dinner will proceed as originally planned with a wonderful evening of celebration and community. But to enhance the Adar timing of the new date, we are very excited to welcome our SAR students to enjoy the fun at Nickelodeon Universe in the days leading up to the Dinner. Stay tuned for more information about this fun-filled visit!
- **Does this mean the fundraising campaign continues?** While our celebration Dinner will be postponed, we hope to bring our campaign to a successful conclusion by January 30, 2022. But we need your help to get us there!

Please know, the decision to reschedule was not made lightly, but with the health and well-being of our entire school community in mind. We have certainly all been on a rollercoaster of ups, downs, starts and stops these last two years but we know that when we do finally gather, we will be grateful for the time together.

Please give generously today to help SAR navigate the months ahead successfully and meet our commitments to our students. We need YOUR participation now to successfully meet our campaign goals by January 30, 2022 and look forward to celebrating our community on March 23, 2022.
