SAR Middle and High School students had an immersive education on the Israeli political system in preparation for the elections. For weeks, students learned about the governing system, electoral process, political parties, candidates, and campaigns. Simulated elections, complete with private ballot boxes and student registration officials, were held to ingrain students with a connection to Israel, and the tools to become strong advocates.
If I could pass advice on to the newest generation of Jewish leaders, I would say...

אָדֶלְפִּיָּהוּ וְיִתְּנָה לְךָ, "Know before whom you stand.

Listen to and know those you serve. Always grow yourself. Try new things.
HIGHLIGHTS & EVENTS

The “Challah Fairy” taught the mitzvah of hafrashat challah during Chesed Week.

Shmitta, the theme of the year, permeated throughout Grades 1-8, with interactive grade-specific lessons, and original videos featuring the Shabtal family, our ancient Israeli guides. Curricula and programming focused on three pillars: Emunah, Ahavat HaAretz, and Kehillah.

Yom HaAtzmaut 5775 celebrations included a reenactment of the UN’s votes and the historic declaration of Israel’s formation.

“At SAR, learning is full of joy and adventure.”

JEWS WORLDWIDE

commemorated Unity Day, the one-year anniversary of the abduction of Eyal Yifrach z”l, Gilad Sh’ar z”l, and Naftali Frenkel z”l. SAR students learned the importance of kehillah by partnering with Ten Gav, a charity matching donors with immediate verified needs in Israel.

Students engaged in cross-grade learning about the Power of Words in Megillat Esther. Students were reminded to engage in lashon tov, and avoid lashon hara.

Middle School students visited homebound elderly in Riverdale as part of a chesed elective. Sylvia Bersin is a beloved former SAR parent.

ELC NEWS

The ELC incorporated robotics, computer programming, and engineering into the kindergarten curriculum under the guidance of an expert from Tufts University and new math standards with Generation Ready consultants.

Children learned coding, allowing them to program their own interactive stories and games utilizing both “Kibo the Robot” and Scratch Jr.

GRADES 1-5 NEWS

Learning programs expand: Math in Focus to Grade 3, TanAm to Grades 3 and 4 (including on-site faculty training), Expository Writing from the lower school to Middle School grades.

“Band for Today,” an instrumental music program, gave students in Grades 3-5 the opportunity to study an instrument, while building hand-eye coordination, teamwork, note-reading, active listening and concentration skills.

The Sensory Gym opened, a unique in-school venue, allowing therapists to work closely with faculty on children’s individual needs.

MIDDLE SCHOOL HIGHLIGHTS

Middle School students learned in new dedicated science labs and classrooms. Basic Writing Skills, an expository writing instruction program developed by Judith Hochman, founder, Windward Teacher Training Institute, and introduced to the lower school two years ago, was incorporated into Middle School Language Arts and into Social Studies curricula.

The Matan Bat Mitzvah program added the study of key female role models in Tanakh, and the life-changing decisions they faced. The Bar Mitzvah and Beyond Program for Gr. 7 boys and their families was launched last year to model and teach halakhah and midot.

Rabbi Rosenberg led the Augmented Reality Adventure Group, seeking hidden treasures of digital information, and turning kids into digital reporters, health and fitness coaches, and superheroes.

The entire Middle School gathered for the first annual Oscars, celebrating students’ achievements as filmmakers, actors, and special effects artists.

Voices of SAR CD, recorded by Chazzan Shim Cramer and the school choir, is available for purchase on iTunes, Amazon Music, and Google Play.

TROPHY CASE

The SAR Math Team, Second Place among 25 schools in the Bronx Con Edison Mathlon at Fieldston School.

Michael Schwartz and Shmuel Padwa placed first and second respectively in the 7th grade competition.

Middle School Yeshiva Debate Society, First Place school award, Second Place team award, and Second Place individual speaker award. Coach: Joseph Coughlin.

Team: Noam Goldberg-Kellman, Shira Michaeli, Leora Schloss, Batya Sarna; and Ethan Burian, Danielle Dorfman, Talya Kronish, Shmuel Padwa.

Daily News NYC Spelling Bee Final Competition. Isaac Shapiro, Gr. 8, 6th place.

2015 National Geographic State Bee in Albany. Jacob Rifkin, Gr. 7, semifinalist.

Chidon HaTanakh finalists’ Shoham Calipha, Adin Pepper-Fox, Leora Schloss, Akiva Sturm, and Joseph Zeltsman. Shoham, Leora, Akiva and Joseph scored higher than Chidon’s requirements to select finalists, which earned them a trip to Israel from SAR. Leora and Shoham were co-regional champions at the qualifying level.

Kol hakavod to coach Rabbi Sheldon Schwartz and all participants.

NEW CURRICULAR INITIATIVES

ALGEBRA II WITH FINANCIAL APPLICATIONS
A new course was piloted to guide students through critical financial decisions, e.g. banking, credit, mortgages, stock market, and business modeling.

A DISCIPLINED APPROACH TO HALAKHAH
A Halakhah program, hilkhut kashrut, was launched to equip students with practical information and a halakhic vocabulary. (In ’15-’16, all grades will learn hilkhut shabbat, to understand underlying concepts and practical implications.)

PROMOTING CURRENT AFFAIRS AWARENESS
The history department emphasized domestic and international news with the “Israel: World News and Views Haiku,” and a news broadcast. As an example, “The Crisis of ISIS Forum Regarding US Policy in the Middle East” engaged students in policy debate.

10TH GRADE ZIONISM HISTORY INITIATIVE
The History, Talmud and Hebrew departments used an interdisciplinary approach to teach Israel’s historical, political, ideological, social, and religious background. The last unit of the year, kicked off with a full-day Yom Yisroel, was dedicated to the history of the State of Israel, 1948 to the present.

TECHNION’S ROBOTRAFFIC 2015 ROBOTICS COMPETITION IN HAIFA
SAR was the only (and first) high school in North America selected to participate in the International Robotics Competition, at the Technion Robotics Center at the Technion. A gift from the Kirsch Foundation enabled the SAR team to participate. The team was an outgrowth of the Arduino Engineering Co-Curricular. Four students, Binyamin Kaplan, Max Orman-Kollmar, Marty Rubin, and Joey Yudelson, represented SAR. Advisors: Yaron Tokayer and dedicated parent volunteer Dr. Richard Kollmar, who created SAR’s Robotics program. Nine international teams competed alongside Israeli teams. SAR ranked 4th and 7th place in two of the competitions.

TROPHY CASE

Girls’ Torah Bowl Team, Regional First Place; doubled participants this year. Coach: Deborah Anstandig.

The Varsity College Bowl Team, First Place, defended its undefeated record at the finals, Coach: Rachel Margolin.

Math Momentum:
• SAR’s Math Team, the only Yeshiva high school among the state’s top scoring teams, NY Math League.
• Silver Crown Award from Columbia Scholastic Press Association of Columbia University, “Math Mag.” Team: Daniel Jacobs, Olivia Rosenzweig and Arvah Zapinsky, Editors-In-Chief.

23 Gr. 11 and 12 students won the Physics Challenge Award, taking on additional learning above and beyond required curriculum, e.g. the practical application of physics knowledge to technology. Ben Kepecs placed 6th out of 70 finalists in the International Chidon HaTanakh in Jerusalem on Yom HaAtzmaut. (Last year he won the NY regional contest.)

Ben Kepecs produced SAR’s first perfect paper in the National Latin Exam.

STING NATION RULES!
SAR made the playoffs in 19 of 20 teams in the Metropolitan Yeshiva High School Athletic League:

11 DIVISION CHAMPIONSHIPS
5 LEAGUE CHAMPIONSHIPS
• Boys’ junior varsity hockey (undefeated)
• Girls’ junior varsity soccer
• Girls’ varsity soccer
• Boys’ tennis (undefeated)
• Girls’ tennis (undefeated)
Thank you, families.

Todah rabbah to 50+ generous SAR families who welcomed our community into their homes and hearts for shabbatonim, open houses, and social gatherings.

Hakarat Hatov

Thank you to outgoing HS PTC Chairs, Tami Bezbodorok and Debbie Stern-Blumenthal for all of the years of service and dedication to our school, students, parents and staff. Your service to us has been truly invaluable!

And welcome to...

Phyllis Freilich and Judy Federbush Greenwald, incoming HS PTC presidents.

Once again this year, thank you to Donna Salamon, parent volunteer, for designing and producing the brilliant Shmitta murals, five global displays, and drama production backdrops. Her artistic contribution to SAR is immeasurable.

“We have created a space that allows individuals to pursue their interests and take initiative... This has allowed each person to shine through and leave his or her own indelible mark in the school.”

LILLY SCHEIN
CLASS REPRESENTATIVE, SAR HIGH SCHOOL GRADUATION 2015
DEAR SAR FAMILY,
As we look back over the year, we take pride in the many wonderful accomplishments of our students and staff. It is truly the entire SAR community that keeps our beloved school going strong. We acknowledge almost 1,400 donors who contributed more than $4.2 million for scholarships and important school initiatives. Further, we recognize the many families who have partnered with us to take our school to the next level, providing almost $2 million in capital funds for current expansion and enhancements projects.

We are well positioned to continue to deliver the best-in-class Judaic and secular education for our children, with exciting and meaningful opportunities for students to find their paths and passions, all while on solid financial ground.

The overall focus of this past year has been to deepen students’ connections with Medinat Yisrael, strengthen our commitment to STEM education, increase SAR’s co-curricular offerings, support our talented and compassionate faculty, and involve the greater community in school programs and fundraising pursuits.

This report provides a window into the impressive accomplishments of this past school year. We hope you feel proud of our students of SAR!

How does our garden grow?
Beautifully—the colors are magnificent, the scent is sweet, and best of all, these are perennials—they will provide wonderful flowers for many years over their lifetime. Of course, you know that when we refer to our garden, we speak of our children, the students of SAR! We are so grateful to you, our parents, grandparents, alumni, parents of alumni, and community members, for ensuring that every child has an opportunity to attend SAR. The funds that we raise through our annual campaigns sow the seeds of our future by providing tuition assistance to families who qualify and by funding special programs, speakers and important events that enhance the SAR curriculum.

Providing scholarship funds makes a crucial difference. All of our children represent a future unto themselves. Every child in whom we can plant the beauty of Torah, the joy of Medinat Yisrael and the value of learning, will yield a great crop for generations to come.

We absolutely could not do it without you. So we offer a heartfelt thank-you, and a request to continue to support our campaigns.

WE LOVE SAR ALUMNI

SAR HS alumni now number more than 850 in the 12 short years since the school’s inception. SAR Academy has graduated more than 2,200 students since it was established in 1969. Our graduates represent a remarkable breadth of individuals working and living in communities around the world. Thank you to those alumni who gave to SAR for the first time, as well as those who continue to lovingly support SAR in so many ways.

HIGHLIGHTS

The Alumni Buzz, the High School Alumni Association newsletter, launched.

30 students attended Class of ’14 Shiar with Ms. Klett. Chairs: Rebecca Siegel, Lauren Grobolski and Ari Spitzer.

An unprecedented 40+ Class of ’13 alumni returned as advisors and mentors for the school-wide Shabbaton.

60 college-aged alumni enjoyed Shabbat dinner on the UWS. Administrators visited alumni at 13 colleges, Torah and reminiscing. Shout-out to all the campus reps for their coordination.

350 Mishloach Manot were sent to alumni at 50 colleges.

The First Annual Alumni Day welcomed 35 alumni to school, focused on “Kvush Yizkor, Ethics in the IDF.”

SAR’s First Ever Alumni Networking Event, brought 60 Class of ’07-’12 alumni together at the Sky Lounge in the Atelier building in Manhattan. Space donated by Dan Niedtich (AC ’93), Guest Speaker: Alex Taub (AC ’01).

GROWTH AT SAR

THE SAR HIGH SCHOOL LOBBY

WE LOOK FORWARD TO THE 5776 ACADEMIC YEAR

WELCOME TO SAR HS

The SAR High School lobby is getting a new look thanks to the generosity of the families of the Class of 2015. During the summer of 2015, construction began to make the space more welcoming and reflective of the school’s mission and core values. Thank you to the more than 100 families that participated in this gift of over $35,000! We hope that all of our new alumni come to visit often and take pride in the fact that they literally changed the face of SAR HS!

SPACE TO LEARN, PLAY, AND GROW @ SAR ACADEMY

Enhancements to SAR Academy began in the summer of 2014 and will continue through the fall of 2015. SAR Academy will add 20,000 square feet to school facilities, including a new belt midrash, a second gymnasium, a new science lab, and a new play yard. All of those who have generously given to make these wonderful projects a reality. SAR students are indeed the beneficiaries of your investment. We continue to seek partners in this endeavor, and naming opportunities are available.
